PRESIDENT'S PEN:

I pray that all has been going well with all of you. I have really enjoyed going to the BAGMA Showcases the last few months. It was really great hearing all of you sing and use your talent for the Lord.

For this President's Pen, I would like to encourage all those that are singers and musicians and supporters of gospel music to just keep doing what God has called you to do and to keep fighting the good fight of faith. God does not call us to be successful but He does call us to be faithful. It's easy to get discouraged at times in the ministry that God has called us to do. The songs that we sing that will encourage those that are in the audience will also encourage you.

One of the best ways to get out of the blues, at least for me, is just start singing to the Lord at your house, in the car while you are traveling or wherever you are. It's amazing what happens when you just start Praising the Lord.

I remember a song we used to sing in the Youth Choir many years ago, "Let's Just Praise the Lord". All the youth kids would start singing and then we would sing another song that would go right along with it "Get all excited go tell everybody that Jesus Christ is King"!

We need to get that excitement back in our life and in our ministries. Remember, "Let's Just Praise the Lord" and get excited about the great calling God has called for our lives.

Until Next Time!

In Christ,
Paul Gothard
